

Notes from San Augustine County Judge, Samye Johnson
Broaddus VFD Town Hall Meeting
December 8, 2011 - Article No. Ten

We are very pleased to announce that the Broaddus Volunteer Fire Department is the first organization to accept the "drop by for a visit" offer that was made in last week's "Notes" column. We will be loading up our laptop, LCD projector, peach cobbler and Blue Bell vanilla ice cream to head their way on Friday, December 9th. The meeting starts at 6 pm and will be held in the newly completed Broaddus Volunteer Fire Department facility.

The public is encouraged to attend this meeting, and we are sure our hosts are looking forward to showing us around their new VFD home base. All of San Augustine County can be proud of this fine group of dedicated Broaddus men and women. They have worked long, hard hours to complete their fire hall, and it is an honor for us to accept their invitation (look for a link to pictures of this event on our San Augustine County website; www.co.san-augustine.tx.us).

As promised, we have a prepared presentation that will provide updates and information on county infrastructure, our economy, social service programs, and concerns of the court. We are also genuinely interested in knowing what is of importance to you and your neighbors.

Town Hall forums are the perfect venue for free and open discussion. However, since this is our first, of what we hope will be many neighborhood meetings; it would be helpful to know in advance of specific topics you would like us to cover. That would be especially true if your items of interest require research or documentation prior to the meeting. If you have a something special you would like to discuss with us, please call Sandy at 936-275-2762.

We look forward to seeing you on Friday!
