To Whom it may concern:

This letter is to confirm that the County of San Augustine does not require permits or perform inspections in any unincorporated areas of the county for cell towers nor has the Commissioners Court passed any ordinances regulating zoning for cell towers. Subdivisions within the County may have restrictions, so please verify any subdivision requirements with the County Clerk.

Please also verify any possible municipal restrictions or regulating zoning with the City of Broadus or the City of San Augustine.

Best regards,

A handwritten signature in cursive script that reads "Samye Johnson".
