

SAN AUGUSTINE COUNTY

SAN AUGUSTINE COUNTY - SAN AUGUSTINE

MAP ATLAS

SAN AUGUSTINE COUNTY

SAN AUGUSTINE COUNTY - SAN AUGUSTINE

MAP ATLAS

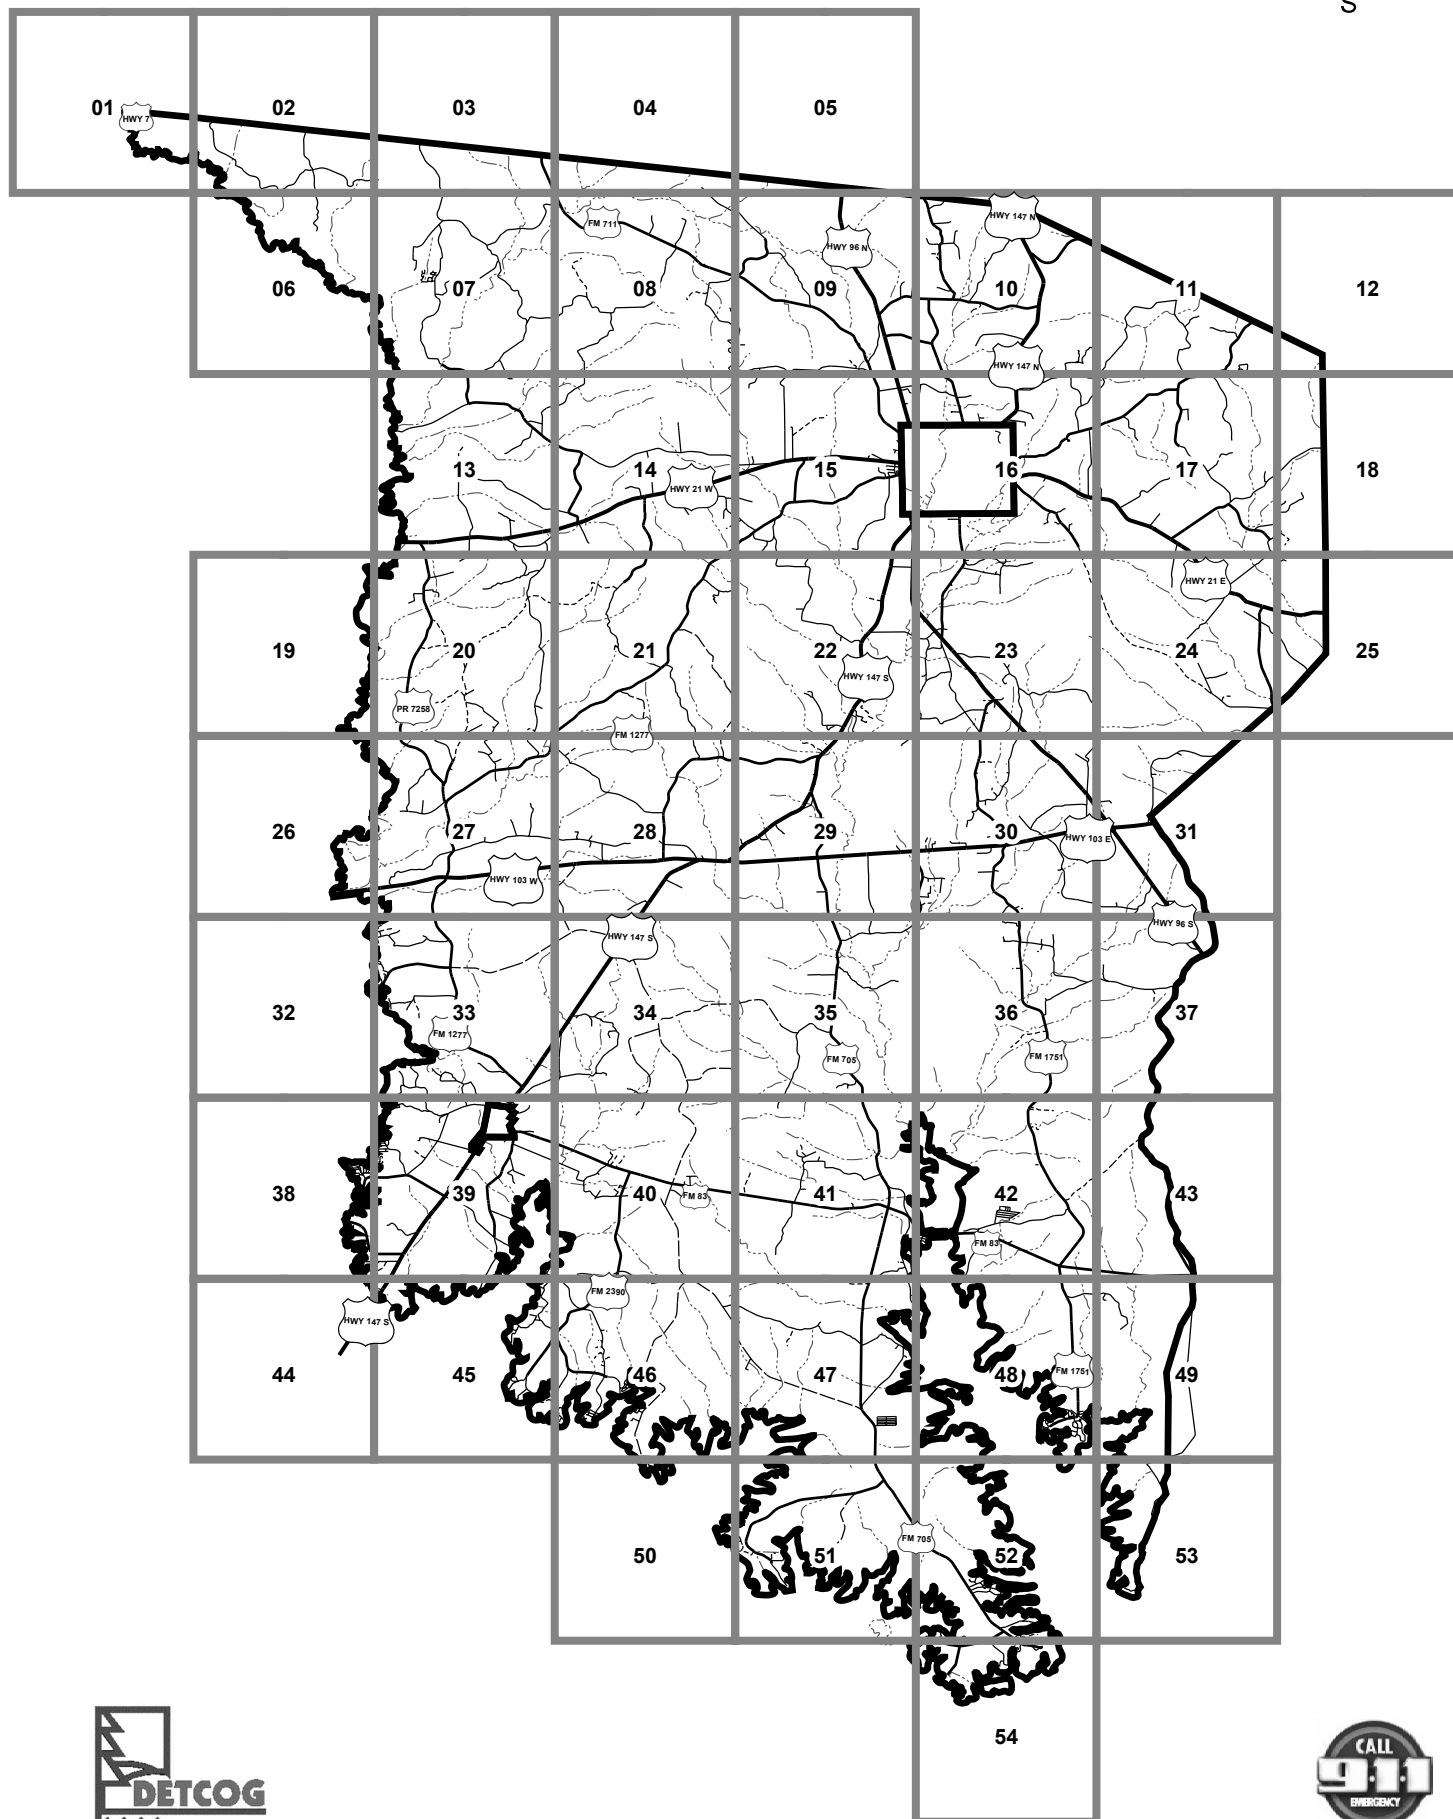

The San Augustine County Map Atlas was created to help the men and women who provide emergency assistance to the citizens of San Augustine County. The Deep East Texas Council of Government would like to thank the San Augustine County Judge and San Augustine County Commissioners for their assistance in developing the information contained in this atlas. Photo provided courtesy of Texascourthouses.com

The data contained in this atlas was developed from information collected from outside sources and while efforts were made to verify data, the Deep East Texas Council of Government does not guarantee the accuracy of the information contained in this atlas. Ranges provided in the road index are intended to be a general guide to locating the address range for a particular road.

Addresses in the unincorporated areas of the county should have even and odd addresses on opposite sides of the road. Even addresses are normally found on the right hand side of the road as the numbering sequence get larger. Addresses can be converted to mileage by adding a decimal to end of the address and moving the decimal forward three places.

This map atlas is a living document and will be updated as necessary. You can participate in this process by reporting any suggestions or corrections to the Deep East Texas Council of Government 9-1-1 Department at 274 East Lamar St, Jasper, TX 75951 or by email to mapbook@detcog.org . When emailing corrections, please include the county name and map page for the correction. This map atlas and a wall map can be downloaded from the DETCOG website free of charge and is located at www.detcog.org/ens/gis/ . As updates to the map atlas and wall map occur, changes will be posted to the website for free download.
