Companies using permit: _____

Approved/Denied Pct. # _____ County Commissioner _____

It is expressly understood that San Augustine County, Texas does not purport hereby to grant any right, claim, title or easement in or upon the county road.

_____ successors and assigns shall hold harmless and indemnify San Augustine County, Texas and the Commissioners Court of San Augustine County, Texas against and all damages to property or injuries to persons, including the legal defense thereof, caused in whole or in part, by the proposed construction. Further, by submission of the application, _____, successors and assigns, agrees to make changes and alterations to the pipeline as may be required in connection with alteration, paving or relocation of any public or county road, without cost to San Augustine County, Texas.

Applicant holder is responsible for liability as to damages of whatever to the road bed, road surface, trees, structures, culverts, signs, bridges, fences, right-of-way, etc., that may result from said boring and/or drilling across county road.

1. Depth requirement of top of pipe to bottom of bar ditch shall be sixty inches.
2. New rock/gravel shall be installed over road where traffic and equipment involved with pipeline crossing.
3. **Temporary Water Pipelines must be placed on the back slope of the county road with t-post and must be approved before flowing water through the waterlines.**

All county roads are subject to closure to all heavy truck traffic or other equipment utilized by permit-holder without notice, if in the opinion of a County Commissioner, the County Judge and/or Sheriff that the road is being severely damaged by such traffic. Such closure may continue indefinitely and all unauthorized use will be considered criminal.

Transportation Code 251.160 Liability of Owner or Operator for Road Damage

This form must be with the drivers in each of the trucks that your company has permitted. This form should be available for inspection upon request.
